

VERIFIED CARBON OFFSET CERTIFICATE

THIS CERTIFICATE IS PROUDLY PRESENTED TO

FINLAYS LTD.

FOR OFFSETTING

4,463.00 MT CO₂

Climate change and protecting the environment go hand in hand. Your continued investment in your customers, your community, and the environment will have a measurable impact for years to come.

Your participation this year has enabled carbon reduction projects in renewable energy, energy efficiency, reforestation, Direct Air Carbon Capture, and other methods. We at Peercarbon applaud you and hope you continue to be a vital part of the solution for a sustainable future.
